THE Community MONITOR

Arlene's Story

Please meet Arlene, she is 93 years young and remains a very active knitter. She has been making beautiful sweaters, socks, and dish cloths for many years. "I enjoy making dish cloths because they are easier for me in my older age." In March, Arlene moved to St. Monica's and started selling dish cloths to raise funds for local organizations. Since that time, she has raised \$100.00 each for our local branches of the YMCA and NAMI, the National Alliance on Mental Health. "It makes me feel like I have a purpose and I enjoy giving back." Arlene purchases all of the yarn and only charges \$2.00 per dish cloth. She has many color options to choose from and all of the proceeds go to local organizations in need. So please feel free to stop by, say "hello," and support this worthy cause!
