THE Community MONITOR

Memorial Day

We are truly honored and blessed to have Veterans reside with us at St. Monica's. Not only do we honor them, but we also love to listen to their extraordinary heroic stories about different battles and all that they endured for our great country. Let us remember our mothers, fathers, sisters, and brothers that have loved ones in the Military. Let us also remember the ones who we have lost. Join us on Memorial Day in the Dining Room at 11:30 am as we honor our Veterans and have a special cookout style lunch.

In loving memory of our community members who bravely served & have passed within the last year.

Happy Nurses
week!

May 6th - 12th

Nurses Week is an annual celebration of nurses worldwide for the work they do for others. The week allows people the chance to acknowledge the nurses in their lives. It also provides an opportunity to thank nurses within the industry as a whole for the work they've done. The history of Nurses Week started when Dorothy Sutherland of the U.S. Department of Health, Education, and Welfare sent a proposal to President Eisenhower in 1953 to create an official Nurse Day. About 20 years later, in February 1974, President Nixon created a week to acknowledge the nursing profession. In 1978, New Jersey's Governor, Brendon Byrne, declared May 6th, National Nurses Day. In 1981, the American Nurses Association and other organizations helped make it official. Furthermore, the International Nurse Council declared "International Nurse Day" be May 12th in honor of Florence Nightingale's birthday. Thank you to all of our wonderful nurses here at St. Monica's, we really appreciate you!
